巻末付録 変幻自在ソラ ゆかいな百面相 198

All hearts are one

One heart is all

In other words the Kingdom's Heart

"Kingdom Hearts"

That is the great heart

And hidden within is great darkness

Each of these worlds were locked, so that they could not mix with each other.

Many worlds existed, separately.

The children wished to go to a world different from their own.

One day, the darkness appeared. And the world covered in darkness disappeared.

Many worlds were covered in darkness, and disappeared one after another.

And then, one boy was selected as a single hope.

The boy went around the worlds, fighting the darkness with his companions, locking the worlds as he went.

Thanks to him winning against the darkness, the Boy was able to lock the final door.

However, he lost his body, and his heart went beyond the door. His heart wandered in the area between light and dark.

In another place, his separated friend was almost swallowed by the power of the darkness. But he was able to fight it off.

His journey over, the Boy was separated from his friend, and arrived at an unknown place, far from his home.

But he had his companions.

The clue toward finding his friend who had gone past the door had been found quickly, and had disappeared quickly.

And he had hope.

WE WERE GOING TO LEAVE THE ISLAND, AND SEE OTHER WORLDS... ME.

BACK ON THE ISLAND ...

AND RIKU.

AND KAIRI.

THE THREE OF US WERE MAKING A RAFT.

I NEVER IMAGINED IT'D BE LIKE THIS.

FIGHTING THE HEART-LESS WITH THE KEYBLADE,

BEING THROWN TO ANOTHER WORLD...

WE TRAVELLED TO MANY WORLDS,

AND MADE A LOT OF NEW FRIENDS.

AND JIMINY.

DONALD AND GOOFY...
